Summary Report presents scores on the Poor-to-Optimal performance scale, shown both graphically and numerically.

Aggregated scores for each of the eight areas allow for a quick overview of the overall results for the unit/department.

The remaining pages in the Summary Report show individual question scores in each area allowing for a deeper understanding of the findings.

Item tables show frequencies, means, standard deviations, and valid Ns for each item (question).

Comments are presented as submitted without edits and without any individual-identifying indicators.
